President's Letter—November 2014

Dear fellow rosarians, I hope your roses are going through a glorious spell of bloom as they typically do in the fall. At our garden we are finally able to relax from some of the rigorous care required for rose shows and just enjoy the bloom. The weather has been favorable but it is important to keep them supplied with water and continue to spray or treat for black spot as long as they have green leaves. In order to speed along

dormancy for winter it is wise to strip away the petals of the old blooms leaving the stamen and peduncle to form a hip rather than simply cut it off. Of course it is ok to cut stems to bring inside for bouquets but try to cut shorter stems leaving as much cane as possible to nourish the plant. Do not prune at this time. After 2 hard freezes it is a good plan to shorten the tall canes that would be susceptible to breaks from ice and snow. This is normally done after

Thanksgiving depending on weather. Bring your questions and problems you might be experiencing to the November meeting and get advice from multiple members who have likely experienced them over the years and might have answers for you. Our Frivolity Chair has some fun planned for us and a "Mystery Guest" will appear.

Don

What To Do in November

1. Continue your watering and spraying until we have a hard freeze that kills the foliage. The cool nights and warm days can be ideal for blackspot and mildew. Insects are going to become more inactive but continue to watch for damage and treat as needed. Continue watering all winter.
2. Clean up your rose beds. Remove dead leaves and petals and cut foliage that might harbor disease or insect eggs over the winter.
3. Allow your roses to develop rose hips so they will be encouraged to go dormant. Secure longer canes that be blown in the wind so they will remain stable and not loosen the roots of the bush.
4. Before applying winter protection you may want to add some super phosphate and/or some gypsum to each bush. The super phosphate will penetrate into the root zone over the winter and give the bush a boost to restart in the spring. Gypsum will help leach out any undesirable salts and help loosen the soil if needed.
5. Check the name tags to see that they are legible and correct and will stay in place during the winter. A map of your rose garden is a good backup for lost or damaged tags.
6. Remove any unwanted roses and work up the bed for preparation of spring planting.
7. Apply your winter protection following the second hard freeze. Build a collar about 10 inches tall and place around the bush and fill with leaves, sawdust, pine needles, compost, fine mulch, grass clippings or soil.
8. Prepare your new beds and order your roses early to insure you will get your choice.
9. Clean, sharpen and lubricate your tools. Protect chemicals from freezing temperatures. Flush out

Board Meeting Minutes

October 2, 2014

President Don Johnson opened the Meeting at 10 a.m. with members Brenda Johnson,, Judy Carter, John Carter, Norma Whitehead, Butch Neumeier, Dennis Voss, Beverly Forester, Carol Puckett, and Gordon Beck present. Also attending were Liz Enochs and Mary Horrigan.

Minutes of the last meeting were approved as printed in the Rosarian Reminder.

Judy Carter gave the Treasurer's report and noted the balance of \$4,994.47 in the checking account.

Brenda Johnson gave a membership report. We have acquired one new member. Publicity report - None.

Mary Horrigan discussed having all members who would like to come to the meeting in Costume depicting a Rose of their choice. She will also print cards and mail to everyone to announce who will be the speaker and the activities at the next meeting.

Mary has offered to have the Christmas Dinner at her home December 14th at 2:00 PM. The Rose Society will buy the Ham. More details will be announced at a later date.

Mary will Audit the Rose Society Books. Norma Whitehead will help if needed.

Bev Forester made a plea for the Rose Society to again have our Spring Show in Broken Arrow. After much discussion, Gordon Beck made a motion to have the Show at The Tul-

sa Garden Center this spring. John Carter Seconded the motion. Motion carried . Liz Enochs will be the Show Chairman this year.

It was decided Tulsa Rose Society will help to promote roses in Broken Arrow as long as it does not interfere with the Tulsa Rose Show; this may include a Rose Display to encourage them to grow and to show roses at a BA location.

CONSULTING ROSARIAN SCHOOL ~ 2015

The San Antonio Rose Society will host a Consulting Rosarian School, January 23 – 24, 2015, at the Holiday Inn Express (Airport), 91 NE Loop 410. This will be an accredited school for new CR Candidates as well as a school where current CRs can update their credentials. There are approximately 26 CRs who need to “audit” a school in 2015 in order to retain their active CR status.

Registration will begin at 5:00 p.m. on Friday evening (Jan 23rd) to be followed by a Hospitality Reception with plenty of food and beverages. During the Reception, Tommy Hebert will give us a sneak preview of his successes at hybridizing and creating new roses. The School presentations will be on Saturday (Jan 24th) with time for new CR Candidates to take the Exam at the conclusion.

We have an exciting agenda planned, with notable speakers that we know you will enjoy. The full Agenda is included on the Registration Form (attached). Back by popular demand is Dr. David Reed from Texas A&M who will give his always entertaining discussions on soils and soil amendments, and water and fertilizer. Carol Shockley will give her ever-popular views on new and promising rose introductions. And, if we have missed anything, a stellar panel of rose growers (Don Adlong, Eddie Garcia, James Laperouse), will cover it.

Please note that the Registration deadline is January 5 – so that we can finalize our plans and requirements for any Handout materials as well as needed food and beverages.

We will have door prizes, including some roses. This will be a fun-weekend and Winter Workshop for non-CRs, where we will dispense good rose-growing information, friendship and comradery. Plan to come!!

Questions/Comments may be directed to Murray Warner, General Chairman at 210-313-3371 (dmwarner@satx.rr.com) or Ed Bradley, Co-Chair, at 210-658-8074 (brad9@satx.rr.com).

American Thanksgiving!

The pilgrims who sailed to America's shore,

Were strangers who had not been there before.
Leaving their country and families behind,
They had one purpose and were of one mind.

They wanted a home where they could be free.
Through danger and peril, they crossed the sea.
In heat and in cold, they struggled for years,
Paying the price of blood, sweat and tears.

Bound to each other by faith, love and hope.
They made a new world and learned how to cope.
The problems they faced as they broke up the sod,
Brought them closer together and closer to God.

Today, we who live in the great USA,
Pause to give thanks, on this Thanksgiving day.
Thank God for our nation: a beacon of light.
We keep her strong, by doing what's right.
